Dearest Mother, Daddy, and Lottie:

I didn't hear from you for the past 3 or 4 days, and guess you are too busy to write. Hope Mother is feeling a lot better, and is out of bed by now. I put in a call for you at home Sunday night, but it never got through. When you get a call from me, be sure and call me back at the 167th Infantry Headquarters, as they can send a runner for me.

It is cold and sloppy here now, as it snowed and rained all weekend long.

We are now working day and night till 9 PM, and I have no time to do anything. Sure am tired of it all.

Have to go back to the hospital tomorrow to let the doctor look at my exrays of my sinus trouble. He might be able to do something for me, but I don't know.

Has Lottie gone back to B'ham yet. I haven't heard from her in over a week. It looks like you and Lottie stopped writing to me.

Love,

Harold
